

Friday Night [under the] Lights 2014

Happy Friday.

Shame on you.

It's Valentine's Day.

You need to get off your email, close your computer and get back to your previously scheduled life.

The last thing I need is for my FNuL to be Exhibit A in your divorce case.

(Anything else you need me to say, honey?)

That's it from my world. *Happy Friday.* As always, thanks for what you do and how you do it...
